

Course Pre-work:

1. What do you plan to get out of the course? In other words, what do you want to do that you currently do not feel that you are able to do now?

2. a. Do you have a research topic(s) you personally want to explore? _____

b. If yes, are you willing to share it/them with the class? _____

3. I have a vision to empower you with unique knowledge that will empower you to participate in hair and scalp studies based on goals and objectives that have already been identified; however, another objective I have is to make sure YOU are equipped with the tools and knowledge that you need to make YOUR OWN IMPACT. So, based on what you feel is an unmet need, how may I help you to obtain YOUR personal goals by enhancing your talents?

4. What do you think is currently stopping you from best servicing or serving your clients?

When we have knowledge, we **MUST** advance our cause of improving the lives of others by sharing what we have learned. Thus, you will be provided with templates for abstract submittals and presentation development so you can showcase your work at scientific conferences or other venues that are relevant to your field. In addition, as a **BONUS** that is worth over \$1000, your enrollment will include (for a limited time)*:

- Access to CITI Training
- One personal 2-hour strategy session to further develop your project idea(s)
- One 30-minute advisory session to go over an abstract and presentation submittal materials
- One 30-minute advisory session to go over a paper or presentation

*This offer expires two years after course enrollment.
